

Dear Friend,

I hope you are standing firm today in God's love, grace, and truth!

I am writing to ask for your help in reaching more people. Here is why. Believers are absorbing the world's identity, mirroring its values, labels, and confusion. Our ministry exists to help them course-correct—to anchor their lives in the unshakable truth of who they are in Christ. Through clear, biblical teaching, hundreds of lives are being transformed! Husbands, wives, and parents are discovering what it means to live from their God-given identity rather than the world's.

IOM America became the place where God dismantled the lies I had lived under and rebuilt my life on the truth of Christ-as-Life. Through its teaching and community, the Lord restored my marriage, healed old fractures, and brought unity where there had been years of strain. My family now walks in a freedom, purpose, and identity that only God could have authored through this ministry. **James C. Richardson**

Here is how you can help. Our ministry currently needs \$30,000 by April 15th. We are excited that we have many wonderful opportunities God has given to us, and we do not charge for any of them. He has raised us to be a far-reaching voice in a dark world. In addition to teaching believers about their identity, we teach them to discern truth from cultural lies, to show younger generations a Biblical worldview, and to stand firm in a time of fear and anxiety.

This is why we are asking God to provide this amount through friends like you who believe in our ministry. Would you prayerfully consider giving a special gift toward this \$30,000 need? Whether large or small, every donation moves us closer to meeting this need.

Thank you for considering this need and for being part of what God is doing through this ministry. I am deeply grateful to God for you!

With appreciation and hope,
Dr. Stephen R. Phinney
